

Subject: Application for Summer Internship Opportunity

Dear Sir/Madam,

I am writing to express my interest in a summer internship opportunity at your organization. I am currently a first-year Computer Science student at VIT Bhopal University.

I have an understanding of web development and Python. I have worked on small projects where I practiced building simple websites and writing Python programs, which helped me strengthen my problem-solving skills and logical thinking. I am eager to learn more in a real-world environment and gain practical experience by working on real projects. I am always willing to improve my skills.

I would be grateful if you could consider me for any suitable internship opportunities this summer. I am happy to share my resume ,if required.

Thank you for your time and consideration.

Yours sincerely,

Ayush Varshney
