

Subject: Request for Extension on Assignment Submission

Dear Sir,

I am writing to request a short extension for submitting my Chemistry assignment. Due to some unexpected circumstances, I was unable to complete the assignment on time.

I am genuinely interested in the subject and want to make sure that I submit my work with proper understanding and accuracy.

So, I request you to grant me a one day more to complete it.
Thank you for your consideration.

Yours sincerely,
Ayush Varshney
